

In September 2021, all national restrictions were lifted according to the Swedish Public Health Agency.

However, we still advise all of our customers and staff to stay at home and get tested if you experience any symptoms.

To ensure everyone feels safe & comfortable, we will continue to follow some

BASIC SAFETY PROTOCOLS AT COLMIS

Follow your company regulations in your facilities.

Hand sanitizer is provided in all facilities.

Reduced capacity in reception & common areas.

You can find the latest updated information of the Swedish Public Health Agency at:
